Submission	361
Suppose	702

ILLUSTRATIONS.

By FRANK DADD.

- "Mr. Beverley, I think you must be mad. I never dreamed of such a marriage. Never wrote such a letter!"
- "Patten, I believe you had a good deal to do with the affairs of the late Mr. Glyn of Firwolds?"
- "The next moment she had clutched the box tightly in both her hands."
- "Why do you look like that? What is it?" cried Glyn, springing to her side."
- "This is death," he said."
- "He is alone, but near at hand is the sound of an unseen companion."

Illustrations to "The Romance of Spain."
